

Nawagi (AC, orig. AIAS, O'G, 'RLS'), *Negegi* (T),
Nyawigi (SAW, RMD), *Njawigi* (AIAS)

Dixon has collected salvage amounts (several hundred words). A few partial speakers remain but possibly little more can be obtained from them.

'man' : *djinga* (RMD); *dinga* (T)

105.2a* Wulgurugaba **** Palm & Magnetic Y134 (AIAS Y135)
 (100.3d) Islands & for c.20
 (43Yr.) miles round Towns-
 ville (AC)

Wulgurugaba (AC, PS, AIAS), *Wulgurukaba* (T, SAW, O'G, 'RLS'), *Wulguru* (PS), *Mun-ba-rah* (Gribble),: tribal names speaking different dialects (from PS): *Manbara* (*Manbarra*), *Buluguyban*, *Nhawalgaba* (Townsville tribal name)

Originally listed with Mari languages. Dixon, working mainly on Tindale's list says it shares c. 50% common vocabulary with *Njawigi*. Sutton recorded some in 1970. He mentions six who know something in two dialects. Hence salvageable amounts may still be possible.

'man' : *ilgora* (*Manbara*); *ngunbar* (*Nhawalgaba*) (PS);
il'gu:ra (T)

105.2b* Yuru Mouth of Burdekin River E48 (AIAS E62)
 (AC)

Juru (T, O'G, 'RLS', AC, orig. AIAS), *Yuru* (AIAS)

Sutton thinks this dialect probably belongs here. It is presumed extinct.

105.2c* Bindal Burdekin River to Cape E9 (AIAS E61)
 Cleveland to Leichhardt
 Range (AC)

Bindal (T, O'G, 'RLS'), *Bindel* (AC, orig. AIAS)

Sutton also places this dialect with *Njawigi*. Presumed extinct.
