

107.le* Gugu Bididji **** South of Endeav- Y24 (AIAS Y86)
 (103.2f) our River between
 Annan & Normanby
 Rivers (McC)

Bididji (AC, AIAS), *Koko Bididji* (SAW, O'G, 'RLS', T)

Nothing fresh.

107.lf* Wagara **** Southern side of upper Y116 (AIAS Y104)
 (59Yr.) Mitchell River, east to
 Mt. Mulligan, west to
 Wrotham Park and Blackdown ('RLS')

Wagara (AC, AIAS, "RLS" 59Yr.), *Wakara* (T), *Koko-wohhara* (McC), *Kuku-yakata* (LMW)

Said to be 'almost identical' with *Djunggun*. It is assumed this is Dixon's *Wagaman* in which he obtained a little data which linked it with *Djunggun* and *Muluridji*.

'man' : *bama*, *burugu* (T)

(*Wagaman*, not *Wagara* is in Wurm's classification, but the former now classified with Southern Paman.)

107.lg* Djunggun ** Between Walsh River Y39 (AIAS Y109)
 (61Yr.) and headwaters of
 Hodgkinson River (McC map)

Djunggun (AC, AIAS, 'RLS'), *Djangun* (SAW), *Djankun* (T), *Koko-Tjangun* (McC)

Dixon has collected some recent material.

'man' : *pam:a* (T)

107.lh* Muluridji ** Head waters of Mitchell Y90 (AIAS Y97)
 River & Rifle Creek east
 to Great Dividing Range (McC)

Muluridji (T, AC, AIAS, SAW, O'G, 'RLS'), *Koko-Mol-oroiji* (McC)

Dixon has collected most in this language but so far nothing has been published.
